Amaranthia Willers	6	54

Comments and extended discussion

Plans for the upcoming week
Samantha Culver:
- Continue with logo design work
- Continue the mission statement page
- Continue the about page structure and design

Kellan Hulet:
- Finished account page
- Implement ability to swap between mock accounts

Brayden Ruch:
- Continue work on SQL database
- Look into viable messaging options for react/express
- Update test server once again after Kellan merges branch
- Reach out to clients on getting hosting/domain for summer testing. And a list of information/features for the test group.

Amaranthia Willers:
- Setup Basis for Calendar functions/notifications
- Set up Chat Function Database
- Feedback from Users database

Summary of Client Meeting

The next client meeting is scheduled for 4/26/2022.
